This product is packaged with a limited warranty, the acceptance of which is a condition of sale. This product has been tested for quality assurance and it or its components may have been recycled.

* Free basic technical support provided for 90 days from date of purchase. Premium technical support also available on a paid for basis.

[1] Requires use of HomePlug AV compatible Powerline device (two PL200PS devices included).

[2] For a complete list of HomePlug AV certified devices, please check www.homeplug.org/certified_products.

[3] Do not plug devices into power outlets that exceed product's power supply rating. Not intended for use with filtered power outlets or filtered power strips.

† Actual data throughput and coverage will vary. Network conditions and environmental factors, including volume of network traffic, building material and construction, and network overhead, may result in lower actual data throughput rate and coverage.
